Rev. Dr. Roger Sonnenberg joins us from California. He is a regular organizer and speaker for Love Fest at Our Savior Lutheran Church in Arcadia, California. He will speak on the new dynamics and realities of modern families, as well as the impact of pornography and other influences on individuals, families and society.

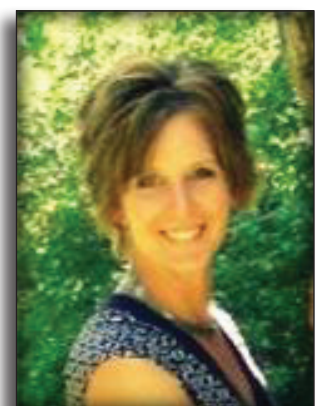

Rev. Dr. Stephen Chambers of Concordia Lutheran Seminary in Edmonton will lead us on an exploration of the first letter to the Corinthians. His talk is titled: “Priceless Sex.” He has been married to Brenda for 21 years and teaches New Testament courses at Concordia Lutheran Seminary.

Rev. Dr. Bill Anderson teaches Religious Studies at Concordia University College of Alberta in Edmonton. He will speak about “A Positive Theology of Sex from Genesis 1-2 and Song of Songs.” He has been married to Joan for 19 years. Bill did not grow up in a Christian home and, as he says, his “life experiences as a ‘rowdy tradesman’ (Millwright) have shaped his realistic theology lived in a fallen world.”

Julie Parr works for the Pregnancy Care Center in Edmonton as Community Education Coordinator. She speaks about sex, abstinence and healthy relationships to students in junior and senior high schools. She is passionate about encouraging teens and young adults to protect their hearts and futures in our sex-crazed culture.
