

Seminaries Sunday 2009

Seminaries Sunday is recognized in September in Canada. It's an opportunity to celebrate our graduate educational institutions in our Lutheran congregations across the country.

The two LCC seminaries are located at St. Catharines Ontario, and Edmonton, Alberta. Our seminaries are dedicated to the formation of church workers who bring God's message of reconciliation through proclamation and ministry to Lutherans in Canada. Hundreds of pastors have graduated from the seminaries and serve Canadian congregations throughout Canada and around the world.

While the church has been blessed over the last three and a half decades with graduate seminary education in Lutheran Church–Canada, there is still a pressing need to bring more students into the programs and prepare more servants for congregations, missions, and service. The need continues to increase in the immediate future.

Your support keeps the seminaries ready to form pastors for the church. Without prayer, communication, and money that you provide, Lutheran Church–Canada would quickly find itself without pastoral leadership.

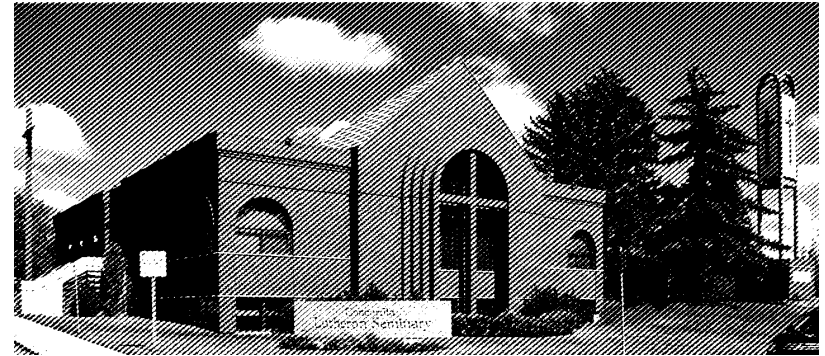

With your support, seminaries can meet the need for full-time servants working in God's harvest field:

- ✝ *pray that God will stir men's hearts to offer their lives in preparation and commitment to public ministry as pastors who proclaim God's message of reconciliation and administer God's sacraments,*
- ✝ *encourage men to consider pastoral ministry and support them in their decision; let the seminaries know about them,*
- ✝ *encourage men and women to consider the needs of church workers for a variety of tasks,*
- ✝ *support the seminaries financially and encourage students, faculty, and staff as they pursue the tasks of seminary life.*
- ✝ *volunteer your time and your skills to the work needing to be done at the seminaries.*
